Who Should Attend?

Our conference is designed for pastors, all associate staff, members and leaders in all of our district churches. This will be an interactive conference giving opportunity for conversation in your area of ministry in the church as well as hearing from other ministry leaders. We have redesigned our Tuesday afternoon schedule in an attempt to bring specific value to Senior Pastors, Associate Staff, and Lay Ministry Leaders within your church.

You will hear the vision of our District Staff as we move into the coming year of District resourcing for your church. On Tuesday afternoon you will participate in group conversation with ministry leaders from other churches in our association who are addressing some of the same challenges you face in your specific area of service. The evening service will be one of celebration, praise, worship and hearing from some of our churches that have partnered with other churches in the RMD for cooperative ministry endeavor. On Wednesday three of our District Pastors will be speaking on their concerns as we face corporate church ministry in the second decade of the 21st Century.

Business Meeting Delegates

All who attend the conference are encouraged to attend the business meeting where we will also have testimonies and celebration. For voting purposes the following are encouraged to be certified by the sending churches:

- Duly certified delegates of member churches. Each member church shall be entitled to the Church Chairman (except when in delegate status under subsection B), and three (4) delegates for the first fifty (50) members or fraction thereof; and thereafter, two (2) delegates for each fifty (50) members or fraction thereof, provided, however, that no church shall have more than nine (9) delegates. Delegates shall present their credentials, in writing, to the Credentials Committee which shall then present the names of all proposed delegates to the assembly. The assembly shall vote to accept or reject any persons as voting delegates to the meeting.

- Pastors, including Associate Pastors, who are serving member churches of the RMD. When a church is temporarily without a Pastor, the Church Chairman may assume the delegate privileges of that pastoral position.

- Ministers who are members in the Ministerial Association of the EFCA or have applied for membership in said Association, and who reside within the RMD boundaries.

- Missionaries of the EFCA whose official residence and church membership is within the RMD.
