

Introducing Interim Pastor Ministries

- I PM assists churches by enlisting, training and providing quality interim pastors for local churches and ministry opportunities for experienced pastors.
- We exist to serve, stabilize and strengthen evangelical churches during times of pastoral transition.
- This ministry began in 1990, as a response to a need for highly qualified, experienced interim pastors.
- We have served over 1,200 churches in our 30+ year history.
- We desire to assist in the development of healthy churches.
- We seek to support and serve with District and Denominational leaders. We desire to be a resource for these leaders and the churches we serve.
- Our President, Dr. Tom Harris has 30 years of pastoral experience, including 15 years as an Interim Pastor serving 9 churches.
- At the present time, we have over 140 Pastors in our organization and consistently serve in excess of 80+ churches across America at any given time.
- Our interim pastors have served in a variety of evangelical fellowships in various parts of the United States and some have also ministered in other parts of the world.
- All I PM pastors agree with our primary Doctrinal Statement and have been prescreened regarding ministry effectiveness. They may also join under the doctrinal statement of the National Association of Evangelicals.
- Many of our pastors have experience in multiple staff ministries and a significant number hold an advanced degree from an evangelical seminary or school of theology.
- Our pastors bring experience, wisdom, maturity and energy to the churches they serve.
- Our interim pastors are available to serve either part-time or full-time.
- We serve congregations of all sizes.
- Our pastors agree they cannot become a candidate for the permanent position of any church they are placed in - now or at any time in the future.

Interim pastors from Interim Pastor Ministries are trained at every level of intentionality to love and lead a church during its transition.
